Quality Policy - AmSpec Iberia S.L.

AmSpec Iberia S.L., as part of the AmSpec LLC group, is committed to providing high-quality, reliable and consistent services that meet or exceed the expectations of our clients and interested parties.

This commitment is achieved through an integrated, effective and continually improving Management System that supports our laboratory, inspection and other conformity assessment activities, in compliance with applicable international standards, legal and regulatory requirements, and commitments agreed with our clients.

Quality, integrity and impartiality are essential values of AmSpec Iberia and constitute a shared responsibility across the entire organization. Management ensures that decisions are made independently and objectively, free from any undue commercial, financial or operational pressure.

AmSpec Iberia commits to:

- Understanding and complying with applicable customer, legal, regulatory and accreditation requirements.
- Providing the human, technical and infrastructure resources necessary to ensure the competence and reliability of our services.
- Maintaining a high level of training, competence and awareness of personnel, in accordance with assigned roles and responsibilities.
- Ensuring the integrity, confidentiality and traceability of data and information generated through our activities.
- Identifying and managing risks and opportunities, anticipating future scenarios and supporting risk-based decision-making.
- Promoting continual improvement of the Management System through performance measurement, nonconformity management, audits and management review.
- Adopting responsible practices for environmental protection, preventing and minimizing environmental impacts arising from our activities, and ensuring effective operational control of laboratory waste management and sample handling.

All AmSpec Iberia personnel shall be aware of, understand and apply this Quality Policy in the performance of their daily activities. This policy provides the framework for establishing system objectives and is periodically reviewed to ensure its continuing suitability, adequacy and effectiveness.

The Management of AmSpec Iberia demonstrates its commitment to this Policy through active leadership, the provision of adequate resources and the continuous evaluation of the performance of the Management System.
